RESOLUTION NO. \_\_\_\_\_

RESOLUTION URGING CONGRESS AND THE FLORIDA  
LEGISLATURE TO FUND AND/OR INCREASE FUNDING OF  
THE AFRICA TRADE DEVELOPMENT CENTER

**WHEREAS**, the United States of America has been encouraging US companies to expand trade and investment ties with the Nations of Africa, as evidenced by the passage of the Africa Growth and Opportunity Act ("AGOA") of 2000; and

**WHEREAS**, since passage of the AGOA, trade volume between the eligible countries of Africa and the U.S. has increased from \$23.4 billion in 2001 to \$64.3 billion in 2010; and

**WHEREAS**, the Foundation for Democracy in Africa (FDA) is a development organization committed to promoting participatory democracy, economic growth and sustainable development throughout Africa. Founded in 1994, FDA is an international non-profit, non-governmental, non-partisan institution with offices in Miami, Florida, and several African countries, including: Nigeria; Sierra Leone and Liberia. FDA's mission is to: (1) implement culturally sensitive programs designed to strengthen and enhance the fundamental principles of democracy, freedom and economic plurality throughout Africa, and (2) integrate emerging African democracies into the mainstream of the global economy, thus cultivating the pathway for peace and prosperity in Africa; and

**WHEREAS**, at its' annual Africando Trade and Investment Symposium ("Africando Conference"), now in its fifteenth year, the FDA brings together US and African policy makers, private and civil society leaders to address cutting edge issues and challenges to US-Africa trade development, particularly, expansion of markets for African products in the international marketplace, especially in the United States; and

**WHEREAS**, FDA has worked with the County in the past to bring the annual Africando Conference, the Africa USA Air Transportation Summit and the first Sister City airport and seaport agreements with countries in Africa to Miami-Dade County; and

**WHEREAS**, the focus at the 2011 Africando Conference, held in Miami-Dade County, was the development of the Africa Trade Development Center ("ATDC" or "Center"); and

**WHEREAS**, the FDA created ATDC, located in the Miami Free Trade Zone, which is an 850,000 square feet facility that serves as a fully functioning trade hub to the Americas, in an effort to leverage Florida as a trading hub that will provide market access to the Americas in support of U.S-Africa Trade and make the goal of positioning Florida as the gateway to Africa, achievable; and

**WHEREAS**, ATDC is designed to create demand for Micro, Small and Medium Enterprises ("MSME") products by providing a presence for their products in the show room of the ATDC; marketing their products via various trade shows in the Americas; and by providing logistical support, and access to distribution networks throughout the United States, Latin America, the Caribbean, and Canada, thereby resulting in the expansion of US-Africa trade and investment; and

**WHEREAS**, the Center will also be responsible for promoting commercial business transactions and trade activities between Miami Dade County, Florida and the Sub-Sahara Africa, and informing potential exporters, importers, investors and businesses, and service providers, about business opportunities in the United States, and Africa; and

**WHEREAS**, the Center requires the funding of the United States Congress and the Florida State Legislature in order to continue to promote the goal of positioning Florida as the

gateway to Africa and to expand trade and investment ties between the United States and Africa;  
and

**WHEREAS**, funding of the Center could yield a substantial return for the United States,  
the State of Florida and Miami-Dade County as demand for the MSME's products flourish,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY  
COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:
